Re: Resignation from Executive Board & NETO Board of Directors

To Whom It May Concern:

Because of a continuing lack of substantive & verifiable communication between the Executive Director of NETO and myself, I am submitting my resignation as V-Chair of the Executive Board of the NETO Organization and from the NETO Board of Directors. This Resignation will be effective immediately after the election of the 2015 Executive Board.

I wish NETO and the Board of Directors well; but, I no longer feel this organization is where I may best serve the public. I will request the Hopkins County Commissioners Court remove me as their appointed representative at the next Commissioners Court, March 23, 2015.

Sincerely,

Beth Wisenbaker
Commissioner Prct. 1
Hopkins County
