County Auditor, Ms. Shannah Howle

If it pleases the court, I would ask for permission to amend my annual budget for the purpose of hiring one additional full time employee. This would bring my total full time work force for road maintenance to seven (7) employees.

The purpose for hiring an additional employee is to add an extra able bodied person needed because I have had two regular employees out for 60+ days because of back surgery. One of those employees is still having complications from his surgery.

The person I would hire for full time employment has been working part time for Pct. #3 for the past couple of months and has proven to be a dependable worker.

Your consideration for approval on this matter is greatly appreciated.

Respectfully,
