**Dear Judge Newsom,**

Farmers Electric Cooperative, Inc. is requesting permission to re-route existing electrical power distribution facilities across County Road 1130, which is located approximately 1.2 miles south east of County Road 1131 located in Hopkins County.

Site location map and construction sketches are enclosed. The construction sketch details the proposed work. All road crossing will have a minimum vertical clearance of 22 feet.

If you have any questions, please contact your field engineering representative Tamara Williams at 903-513-2903 mobile.

**Please send approval back to our engineering group at: [engcoordinators@farmersselectric.coop](mailto:engcoordinators@farmersselectric.coop)**

Sincerely,

*Tamara Williams*
