County covenants and agrees with Developer that, while this Agreement is in effect, it shall comply with the following terms and conditions:

The failure of Developer to satisfy the above-mentioned requirements for any tax year during the Term of this Agreement shall not prevent Developer from receiving a Program Grant Payment in future tax years consistent with this Agreement.

In the event, during the Term of this Agreement, Developer satisfies the requirements contained in Section 4(b) and 4(d) of this Agreement, and the initial investment by Developer for the Property and Personalty located on the Property and the tax value of Personalty relocated to the Property by Developer is at least a combined **One hundred fifty million and no/100 dollars (\$150,000,000.00)**, beginning with tax year 2023 and for each tax year thereafter during the Term of this Agreement as set out in the table below, the County shall make a Program Grant Payment to Developer based upon the following percentages of County ad valorem taxes:

Tax Year	Percentage of County Ad Valorem Taxes Reimbursed
2023	100%
2024	100%
2025	100%
2026	100%
2027	100%
2028	100%
2029	100%
2030	100%
2031	100%
2032	100%

Notwithstanding the foregoing, the County shall have no obligation to pay Developer any Program Grant Payment until receipt of the Annual Compliance Verification required pursuant to Section 4(d) of this Agreement. The County covenants and agrees to provide each respective Program Grant Payment to Developer within thirty (30) days following receipt of the latter of: (1) ad valorem taxes paid to the County for the Property and Personalty for the tax year to which the respective Program Grant Payment corresponds; and (2) the Annual Compliance Verification.

- (b) **Performance.** County agrees to perform and comply with all terms, conditions, and provisions set forth in this Agreement and in all other instruments and agreements between Developer and County.

SECTION 6. CESSATION OF ADVANCES.

If County has made any commitment to make any advance of financial assistance to Developer, whether under this Agreement or under any other agreement, the County shall have no obligation to advance or disburse any financial assistance if: (i) Developer becomes insolvent, files a petition in bankruptcy or similar proceedings, or is adjudged bankrupt; or (ii) an Event of Default occurs (iii) fails to timely make a Pilot payment.

SECTION 7. EVENTS OF DEFAULT.

Each of the following shall constitute an Event of Default under this Agreement:

- (a) **General Event of Default.** Failure of Developer or the County to comply with or to perform any other term, obligation, covenant or condition contained in this Agreement, or failure of Developer or County to comply with or to perform any other term, obligation, covenant or condition contained in any other agreement by and between Developer and County is an Event of Default.
- (b) **False Statements.** Any warranty, representation, or statement made or furnished to the County by or on behalf of Developer under this Agreement that is false or misleading in any material respect, either now or at the time made or furnished is an Event of Default.
- (c) **Insolvency.** Developer's insolvency, appointment of receiver for any part of Developer's property, any assignment for the benefit of creditors of Developer, any type of creditor workout for Developer, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Developer is an Event of Default.
- (d) **Ad Valorem Taxes.** Developer allows its ad valorem taxes owed to the County to become delinquent and fails to timely and properly follow the legal procedures for protest and/or contest of such taxes and to cure such failure within thirty (30) days after written notice thereof from County and/or Hopkins County Central Appraisal District is an Event of Default.

SECTION 8. EFFECT OF AN EVENT OF DEFAULT.

Failure of either party to comply with or perform any term, obligation or condition of this Agreement shall constitute an Event of Default. The non-defaulting party shall give written notice to the other party of any default, and the defaulting party shall have thirty (30) days to begin to cure said default. If the default cannot reasonably be cured within a thirty (30) day period, and the defaulting party has diligently pursued such remedies as shall be reasonably necessary to cure such default, then the non-defaulting party shall extend the period in which the default must be cured for an additional thirty (30) days. Should said default remain uncured, the non-defaulting party shall have the right to terminate this Agreement, enforce specific performance as appropriate, or maintain a cause of action for damages caused by the event(s) of default. In the event Developer defaults and is unable or unwilling to cure said default within the prescribed time period, the aggregate total of all financial assistance provided by the County to Developer pursuant to Section 5 of this Agreement, shall become immediately due and payable by Developer to the County.

SECTION 9. INDEMNIFICATION.

Developer shall indemnify, save, and hold harmless County, its directors, officers, agents, attorneys, and employees (collectively, the "Indemnitees") from and against: (i) any and all claims, demands, actions or causes of action that are asserted against any Indemnitee if the claim, demand, action or cause of action directly or indirectly relates to tortious interference with contract or business interference, or wrongful or negligent use of County's financial assistance by Developer or its agents and employees; (ii) any administrative or investigative proceeding by any governmental authority regarding this agreement directly or indirectly related, to a claim, demand, action or cause of action in which County is a disinterested party; (iii) any claim, demand, action or cause of action which directly or indirectly contests or challenges the legal authority of County or Developer to enter into this Agreement and related issues; and (iv) any and all liabilities, losses, costs, or expenses (including reasonable attorneys' fees and disbursements) that any Indemnitee suffers or incurs as a result of any of the foregoing; provided, however, that Developer shall have no obligation under this Section to County with respect to any of the foregoing arising out of the gross negligence or willful misconduct of County or the breach by County of this Agreement. If any claim, demand, action or cause of action is asserted against any Indemnitee, such Indemnitee shall promptly notify Developer, but the failure to so promptly notify Developer shall not affect Developer's obligations under this Section unless such failure materially prejudices Developer's right to participate in the contest of such claim, demand, action or cause of action, as hereinafter provided. If requested by Developer in writing, as so long as no Default or Event of Default shall have occurred and be continuing, such Indemnitee shall in good faith contest the validity, applicability and amount of such claim, demand, action or cause of action and shall permit Developer to participate in such contest. Any Indemnitee that proposes to settle or compromise any claim, demand, action, cause of action or proceeding for which Developer may be liable for payment of indemnity hereunder shall give Developer written notice of the terms of such proposed settlement or compromise reasonably in advance of settling or compromising such claim or proceeding and shall obtain Developer's concurrence thereto.

SECTION 10. MISCELLANEOUS PROVISIONS.

- (a) **Amendments.** This Agreement constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement.
