Contact	Jon Denney	Judge Newsom

- Proposal:**
- 1) SAFE Software to offer services to Hopkins County Environmental Office by way of software for the care and maintenance of On-Site Sewage Facility's in Hopkins County. Attached is the formal proposal sent by Jon Denney owner/operator of SAFE Software.
  - 2) The contents included in the proposal are a one time fee of \$2500 for the software which includes 1 year of technical & customer support via email or by phone as well as any and all updates done to the software within that time. Additionally, a charge of \$200 concerning Data Conversion wherein Jon Denney will import files from existing entities in Hopkins County into our system for our continued monitoring.
  - 3) Technical & customer Support will be offered on an annual basis, and is up to the discretion of the Hopkins County Environmental Office whether they will renew. Price has been set to \$450 per year as per this proposal. SAFE software reserves the right to raise technical & customer support fees as they see fit.
