If the report shows more fees collected than expenses for the construction, operation, or maintenance of the facility the Hopkins County must provide a multiple year plan detailing how the additional revenue will be used for construction, operation, or maintenance of the facility.

C. Availability. The State or any of its duly authorized representatives, the Federal Highway Administration, the United States Department of Transportation, Office of Inspector General, and the Comptroller General shall have access to the \_\_\_\_\_ Hopkins County 's records that are directly pertinent to this Agreement for the purpose of making audits and examinations.

Furthermore, the Hopkins County shall become fully subrogated to the State's rights of recovery and shall be entitled to maintain any action over and against any third party who may be liable for damages.
