Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along CR 4798.

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

Scope of Work: Install 1 - 40' / 5 pole on East side of county road at approx. 33.218655, -95.676261 and swing overhead secondary from an existing transformer pole on the West side of county road. Secondary used to be installed here, but installing new pole to make sure clearances are met

Should you need anything further, please do not hesitate to contact me.

Best regards,
