Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along/crossing CR 4771.

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

Scope of Work: Install two new poles, one on the East side and one on the West side of CR 4771, and install primary crossing the road. The pole on the West side of the county road will have an overhead transformer. The rest of the work will be done on the customers property, away from the county road.

Should you need anything further, please do not hesitate to contact me.

Best regards,

David Caceres
