Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along CR 4789.

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

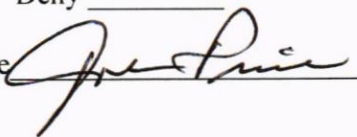

Scope of Work: Tap off of one existing pole on West side of CR 4789, and set a new pole on East side of CR on customers property. Primary will be crossing county road at approx. 90-degree angle.

Should you need anything further, please do not hesitate to contact me.

Best regards,
