### HOPKINS COUNTY PERMIT

Dear Judge Newsom,

ONCOR Electric Delivery, LLC respectfully requests permission to proceed with the following scope of work within Hopkins County.

Statement of Work:

The project involves the replacement of 41 utility poles at existing locations and one crossarm replacement, totaling work on 42 utility poles.

A county permit is required due to the replacement and upgrade of a pole located on County Road 2310 (WS 42). The majority of the work is within Hunt County, TXDOT right-of-way, or private property. However, as one pole is within Hopkins County, we are submitting this request for approval.

A site location map and construction workprints are attached, detailing the proposed work.
