Sulphur Springs, TX 75482

Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along CR 4616.

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

Scope of Work: Oncor to replace four existing poles with 45'/3 poles, remove one idle pole and overhead primary, replace two transformers and trim trees along one span of overhead primary. Customers have been notified.

Should you need anything further, please do not hesitate to contact me.

Best regards,

David Caceres
