Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along CR 3569.

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

Scope of Work: Install one 45'/3 pole, within an existing span, bring primary across the road and set a 45'/3 pole on the customers property. Tree trimming will be needed along the existing span, and all other work will be underground on the customers property.

Should you need anything further, please do not hesitate to contact me.

Best regards,

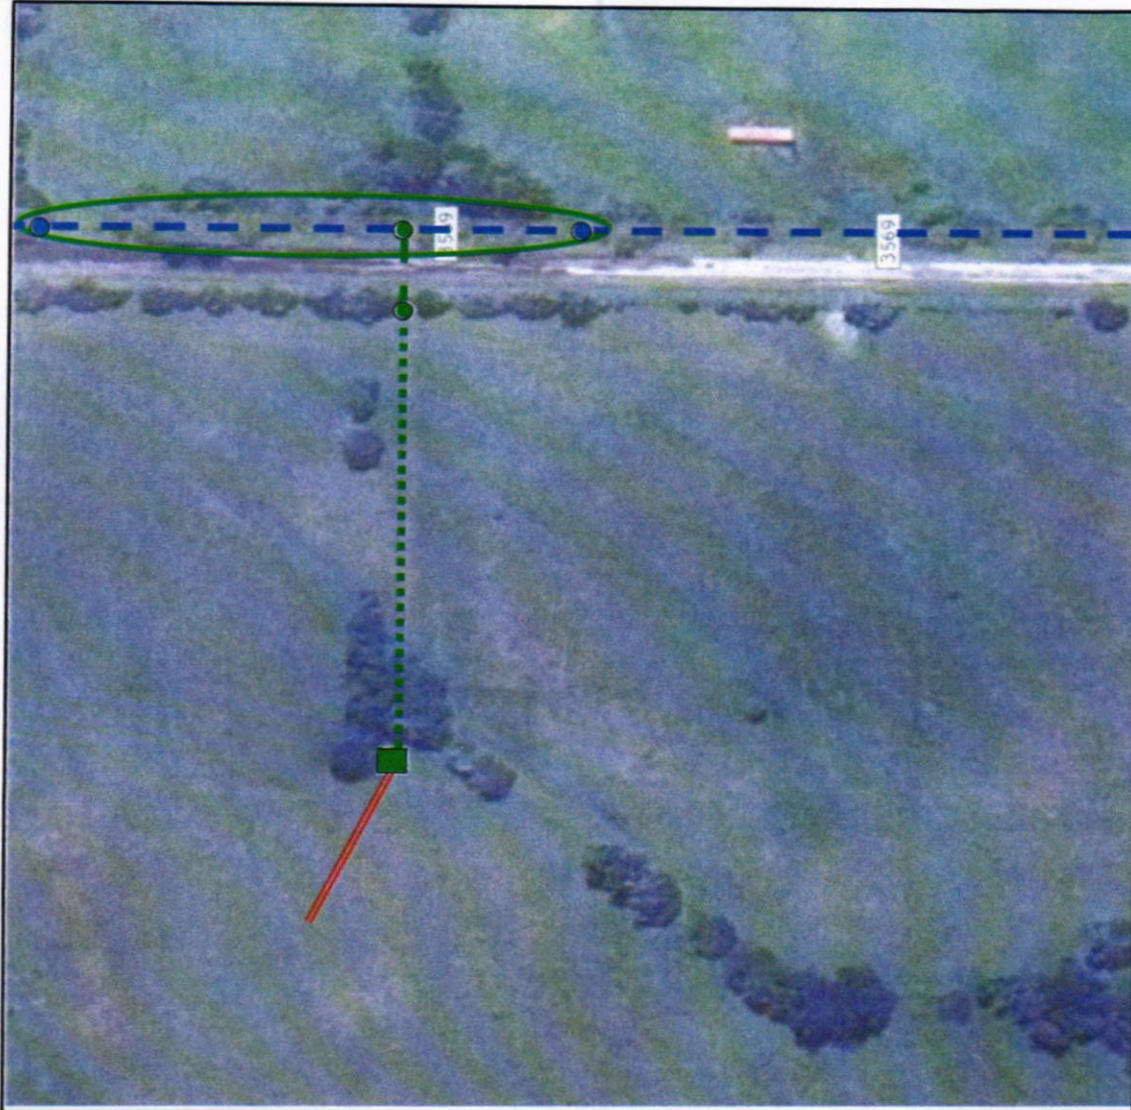

David Caceres
