RE: Action Required: Execution of Participation Form for Purdue and Sackler Opioid Settlement September 30, 2025, Deadline

Dear Judge Newsome and Ms. County Attorney,

We are pleased to announce the new proposed national opioids settlement reached with Purdue and the Sackler family. The proposed settlement is being implemented through Purdue's Bankruptcy Reorganization Plan ("BR Plan"). There are important next steps for your subdivision to participate in the Governmental Entity Direct Shareholder Settlement Agreement ("GESA") and to vote on approval of the BR Plan.

The GESA governs the direct settlement between governmental entities and the Sackler family. The Sackler family will pay a total of \$6.5 billion over 15 years, with payments made in 16 installments. The first payment will occur in 2026. Less than 100% participation by states and subdivisions, however, will reduce the overall settlement amount paid to your state and could affect your final allocation. Under the settlement, Texas could receive up to an estimated \$286,579,921.29. Your subdivision's specific allocation will depend on the state's distribution agreement with its subdivisions. **Subdivisions that do not execute the Subdivision Participation and Release Form will NOT be entitled to receive any of the GESA settlement proceeds.**

Please execute the Subdivision Participation and Release Form. We recommend signing the form electronically via DocuSign once received. If your subdivision requires formal authorization before signing, such as approval by a commissioner's court or city council, we recommend scheduling that approval as soon as possible. If you have not received the form or would prefer to sign physically, please contact us and we will be happy to help with this process. **The deadline to submit the signed Subdivision Participation and Release Form is September 30, 2025.**

Additionally, the County previously voted to approve Purdue's earlier bankruptcy plan, which was ultimately rejected by the U.S. Supreme Court on legal grounds. After further negotiation, a revised plan has been proposed, which should be approved. All 50 states and territories have already agreed to the BR Plan. Consistent with your prior authority to vote to approve of Purdue's prior bankruptcy plan, we will submit a "Yes"

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Shareholder Released Claims or such other Claims released pursuant to this release, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Shareholder Released Claims or such other Claims released pursuant to this release that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities’ decision to participate in the Agreement.
