Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along CR 4771.

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

Scope of Work: Install a transformer on an existing pole on the West side of CR 4771, a span of secondary to a new pole on the East side of CR 4771, and underground service on the customers property.

Should you need anything further, please do not hesitate to contact me.

Best regards,

David Caceres
