Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along County Road 3567

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

Scope of Work: Oncor to tap off an existing pole and set a new pole on customers property. Customer is undetermined where they will go from there, but wanted to get the permit in place. Oncor will also tree trim around the existing spans and in ROW where the primary will cross.

Should you need anything further, please do not hesitate to contact me.

Best regards,
