Greetings:

Farmers Electric Cooperative, Inc. is requesting permission to construct electrical power distribution facilities which will cross County Road 2333.

Site location map/construction sketches are attached. The construction sketch details the proposed work. The proposed electrical service will be constructed:

- Overhead - All road crossings will have a minimum vertical clearance of 22 feet.
- Underground - All underground bore crossings are PVC encased 4' of coverage from the lowest point of the Right of Way.

If you have any questions, please contact me at any time.

Sincerely,
