Greetings,

Oncor Electric Delivery is requesting permission to construct electric distribution facilities along CR 3561.

Construction prints are attached and all facilities meet clearance requirements of 22 ft.

Scope of Work: Oncor to replace one existing pole on West side of CR 3561, and set a new pole on the East side of the county road. Oncor will remove secondary that is crossing the road, and install primary and an overhead transformer. Will also trim trees on East side of road to provide proper clearance for the new pole location. All additional work will take place on private property.

Should you need anything further, please do not hesitate to contact me.

Best regards,

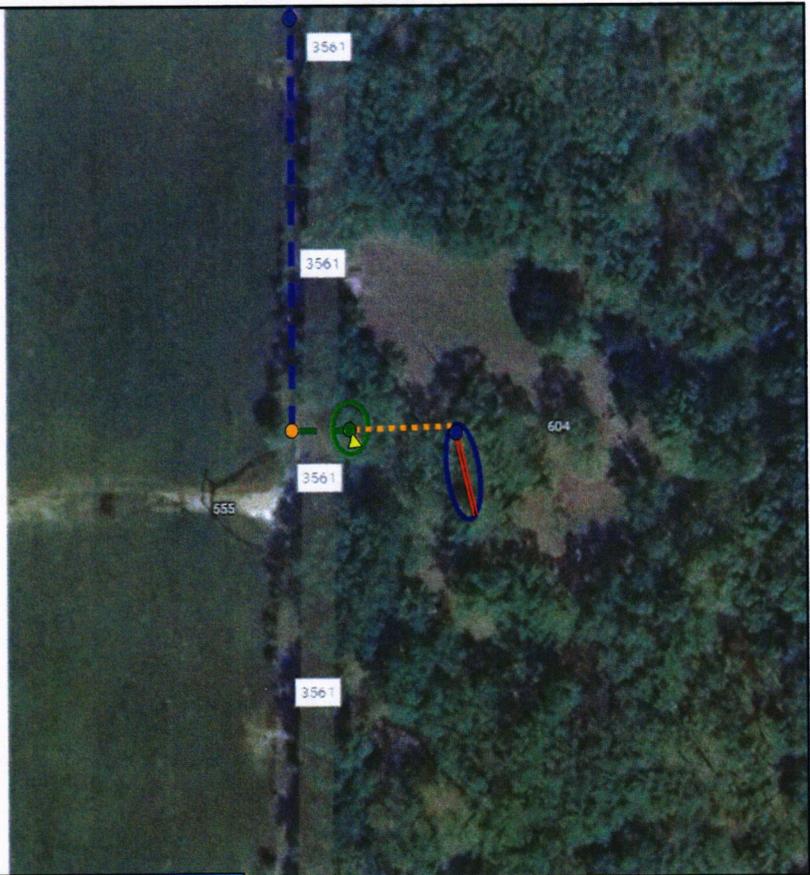

David Caceres
