RESOLUTION AND COURT ORDER NUMBER 2026-0825

ORDER ADOPTING THE GRANT MANAGEMENT PLAN FOR FEDERAL GRANT PROGRAMS — CDBG-MIT FUNDING

RESOLUTION

WHEREAS, Hopkins County seeks to enhance resilience and mitigate risks associated with natural disasters by implementing projects funded through the Community Development Block Grant Mitigation (CDBG-MIT) program; and

WHEREAS, effective and transparent financial and administrative oversight is necessary for the success and compliance of these federally funded projects; and

WHEREAS, the Commissioners Court has reviewed the Grant Management Plan and deems it necessary for the efficient administration of CDBG-MIT funds;

NOW, THEREFORE, BE IT RESOLVED that the **Hopkins County** Commissioners Court hereby adopts the Grant Management Plan for Federal Grant Programs — CDBG-MIT Funding and commits to ensuring compliance with all federal, state, and local requirements governing these funds.

ORDERS

WHEREAS, Hopkins County has assessed administrative, design, permitting, construction, and other elements necessary to deliver a successful and eligible project within the requested contract period; and

WHEREAS, Hopkins County has identified the stakeholders responsible for administering and executing contracts awarded under CDBG-MIT funding and assigned specific job duties relevant to the administration of these grant funds; and

WHEREAS, through the implementation of this Grant Management Plan, **Hopkins County** will ensure sufficient capacity to manage federal grant funds efficiently and in compliance with all applicable regulations; and

WHEREAS, the Grant Management Plan establishes goals and objectives to implement mitigation projects that reduce risks associated with hurricanes, tropical storms, flooding, tornadoes, and other natural hazards, while ensuring compliance with required national objectives; and

WHEREAS, the plan outlines a timeline for project implementation, monitoring, procurement, financial management, and project completion, including necessary audits and compliance measures; and

WHEREAS, the plan designates project stakeholders, their responsibilities, and authorizes key personnel, including the County Judge, County Auditor, and Emergency Management Coordinator, to oversee financial, procurement, and contract management functions; and

NOW, THEREFORE, BE IT ORDERED BY THE COMMISSIONERS COURT OF TEXAS:

1. The **Hopkins County** Commissioners Court hereby adopts the Grant Management Plan for Federal Grant Programs — CDBG-MIT Funding.
2. The County Judge and County Auditor are authorized to sign all financial management, procurement, and contractual documents associated with the implementation of this plan.
3. The County Judge, County Auditor, and designated project stakeholders shall oversee the administration, compliance, and execution of grant-funded projects in accordance with federal and state guidelines.
4. This Order and Resolution shall take effect immediately upon passage.

CONSIDERED AND ADOPTED this 25th day of August, 2026.

Robert Newsom
Hopkins County Judge
